

American Heart Association Emergency Cardiovascular Care Programs Instructor Monitoring Tool					
Name	e of Instructor or Instructor Candidate:				
Instru	ctor ID#:				
Туре	of Course Monitored: HS BLS ACLS ACLS P PALS	S 🗆 PEARS	5		
and re	uctions : Training Center Faculty (TCF) will use this form to assess the competence enewing instructors. For each competency, there are several indicators or behaviors it to demonstrate competency.				
Nee Bol Noi	ccessful = Observed successful demonstration of this behavior eds Remediation = Observed the instructor fail to effectively or consistently demor d Items = Must be successfully demonstrated during monitoring nbold Items = Marked if observed during monitoring aded Items = Best assessed by TC Coordinator or others outside the course monitor				
	Instructor Competencies and Indicators				
Defin	CC/AHA Cognitive and Psychomotor Skills ition (Goal): Maintains proficiency in provider-level cognitive and psychomotor	Successful	Needs Remediation		
	; fulfills requirements for initial or renewal instructor certification				
a.	Demonstrates proficiency in provider-level skills				
<u>b.</u>	Teaches at least the minimum number of classes per cycle	<u> </u>			
<u> </u>	Is aligned on the Instructor Network				
d.	Completes the required provider and instructor updates		—		
e.	Achieves satisfactory rating during instructor monitoring		nmendation at f form		
2 C	Nurse Delivery				
Defin	burse Delivery ition (Goal): Presents AHA course content as intended by using AHA course sula and materials	Successful	Needs Remediation		
Defin	ition (Goal): Presents AHA course content as intended by using AHA course				
Defin curric a.	ition (Goal): Presents AHA course content as intended by using AHA course sula and materials		Remediation		
Defin curric a.	ition (Goal): Presents AHA course content as intended by using AHA course cula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the		Remediation		
Defin curric a. b.	ition (Goal): Presents AHA course content as intended by using AHA course rula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual		Remediation		
Defin curric a. b. c.	ition (Goal): Presents AHA course content as intended by using AHA course sula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing		Remediation		
Defin curric a. b. c. d.	ition (Goal): Presents AHA course content as intended by using AHA course cula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points		Remediation		
Defin curric a. b. c. d. e.	ition (Goal): Presents AHA course content as intended by using AHA course ula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance Provides precourse instructions and resources to students before the course		Remediation		
Defin curric a. b. c. d. e. f.	ition (Goal): Presents AHA course content as intended by using AHA course cula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance		Remediation		
Defin curric a. b. c. d. e. f. g.	ition (Goal): Presents AHA course content as intended by using AHA course ula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance Provides precourse instructions and resources to students before the course Ensures equipment is in working order and available in sufficient quantity as recommended Relates course material to practical events		Remediation		
Defin curric a. b. c. d. e. f. g. h.	ition (Goal): Presents AHA course content as intended by using AHA course ula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance Provides precourse instructions and resources to students before the course Ensures equipment is in working order and available in sufficient quantity as recommended		Remediation		
Defin curric a. b. c. d. e. f. f. g. h.	ition (Goal): Presents AHA course content as intended by using AHA course tula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance Provides precourse instructions and resources to students before the course Ensures equipment is in working order and available in sufficient quantity as recommended Relates course material to practical events Effectively operates technology used in the course Adapts terminology appropriate to location, audience, and culture		Remediation		
Defin curric a. b. c. d. e. f. g. h. i. j.	ition (Goal): Presents AHA course content as intended by using AHA course tula and materials Delivers content that is consistent with Lesson Maps and agenda Uses videos, checklists, equipment, and other tools as directed in the Instructor Manual Allows adequate time for content delivery, skills practice, and debriefing Promotes retention by reinforcing key points Delivers course in a safe and nonthreatening manner Uses student and Faculty feedback to improve teaching performance Provides precourse instructions and resources to students before the course Ensures equipment is in working order and available in sufficient quantity as recommended Relates course material to practical events Effectively operates technology used in the course		Remediation
